On account of shorter day an earlier start
is advisable. We leave at 5:45 P. M. If
you can't arrive on time - come to starting
point and catch up. Route sheet will be
furnished.

See some of the gardens that you have seen before and note the improvement. You'll see some you haven't seen - with new and unusual flowers.

You may leave your car at Filberts and a driver will bring you back. Double up and make the going easier with fewer cars.

PLEASE SEND IN YOUR RESERVATION CARD NOW!

Include any male guest you intend to bring.

THE GARDEN SPRAY is on an August Vacation
-- because the entire Spray staff is on vacation.
Watch for the September issue which will include
highlights of the July and August Tours.
