Do You Believe in Magic?

How does the business and all the activities of the MWGCM get accomplished? Looking back over this past year as your president I have come to a few conclusions with regard to this question. This club has history going for it and the records we have of the past serve as a guideline for the board and officers to follow. We have dedicated volunteer members who serve as committee chairpersons who guide their committees through the events of the year. We have a directory that includes all the basic information we need to get us to the proper place at the correct time to participate in our schedule of events. We have an awesome newsletter and website to keep us updated on any changes that may arise during the year and to further guide us along the way.

At our last board meeting I expressed concern about how all of the year-end business would get done and I was assured that there was a sort of magic that occurs this time of year. Still not convinced, I looked up several definitions of magic and have decided to put my hopes in the one that states "there is a force that produces results through mysterious influences or unexplained powers." So, for all of you chairpersons reading this message please take a few minutes to tabulate your year's activities in a short annual report and get the information to the board and recording secretary where it will be passed on to our historian. For all of you members out there who have not already renewed your memberships and updated your interest in participating on committees, please send in those renewals. It is also time to submit any budgetary needs for the committees for the 2014 year to our treasurers so they may prepare the 2014 budget which will be presented at the January meeting for approval. Speaking of finances please consider a donation to our **scholarship fund** before the end of 2013 so that we can meet Jan Johnson's generous challenge of matching up to \$500 for the fund. Have you sent in your reservation for the Holiday Party to Larry Larson? Do you have a donation for the annual silent auction? If so, please notify Elaine Spiegel of your intent.

This has been a very good year for our club. We began the year with two presentations by Mary Maguire

Lehrman in which she relayed information about planning our perennial garden borders. We participated in the Home and Garden Show, toured the annual Macy-Bachman flower Show, held a successful plant sale and auction in May, conducted two fabulous garden tours during the summer plus participated in the Tangletown Garden tour with an educational booth at one of the garden sites. The August Flower, Food, and Foto show was outstanding with more arrangements entered than ever before and the Tomato & Pepper Festival was lots of fun, too! We have elected new officers and directors and revised our bylaws. After our last meeting on how to provide winter interest in your gardens, I am sure you all have created that stunning spruce top arrangement for your front entryway.

I have enjoyed every minute of serving as your 2013 MWGCM president and I want to thank you for the opportunity.

So let's celebrate our accomplishments, recognize our award members, gather together and welcome our new members into our fold and "may that magical force be with you."

From the Editor

-- Mary Maynard

Thanksgiving is upon us, and the rest of the Holidays will be here before we know it. You may notice that this issue is a little skimpy. It's only ten pages instead of the usual twelve, mainly because your editor is just plain tired!

I'd like to congratulate President Sandra for *never* missing the submission deadline for the Spray! We all have busy lives, and a monthly column can be tough, but this is only one of the ways that Sandra has demonstrated her efficiency this year.

Once again, I'd like to thank the Board members and committee chairs who are wrapping up their service at the end of this year, and the members who have stepped up to serve in 2014. We could not be the excellent club we are without you!

Best wishes for a very happy holiday season!

Past president - Sandra Abraham	Director - Ray Bauch

Another Scholarship Challenge!

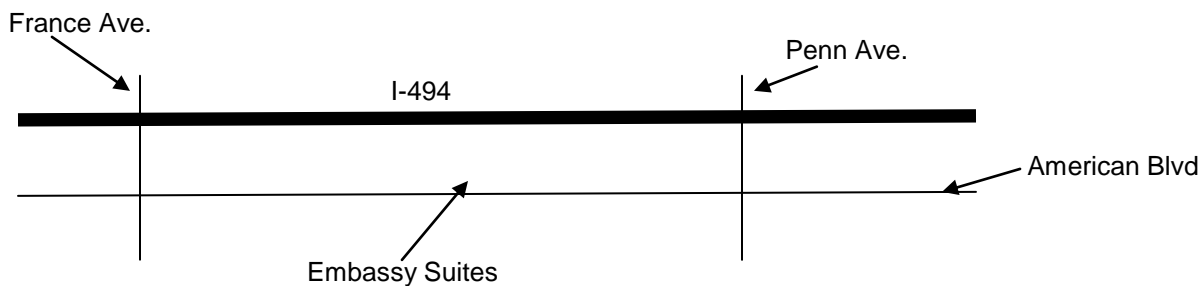

Jan Johnson has once again challenged us to contribute to the scholarship fund. Jan will match contributions **made by the end of 2013** up to \$500.

Jan reminds us that those of us who must take Required Minimum Distributions from their 401k's and IRA's can donate to charity without paying taxes on withdrawals. (Please check with your accountant or tax adviser if you have questions.)

 **Holiday Party!** 

Larry Larson, Holiday Committee Chair

Here's a rudimentary map to the Embassy Suites at 2800 American Boulevard West in Bloomington. (Google or Mapquest will give you much more detail!)

The party begins at 6 p.m. but if you're bringing a silent auction item, please arrive a little early and give it to one of the Holiday Committee members who will be happy to take it from you and place it in the party room. Please wait in the bar area until 6 p.m.

You can also give your auction item to any holiday committee members and have them bring it to the party. Call Elaine Spiegel, silent auction chair, at 952-927-9539 and let her know what you are bringing so she can fill out the auction form ahead of time.

Bidding on the auction items will end at 7 p.m. when dinner is served. The business meeting will follow the dinner emceed by Bob Olson and Andy Marlow. Andy said Santa was injured last year delivering Larry Larson's mechanical dahlia hole digger and won't be able to make an appearance at our party. Blame Larry!

Silent auction winners will be announced after the business meeting. They will be able to pick up their items at that time.

Please have your reservation forms at Larry's home by November 30. If you have any questions regarding the silent auction please call Elaine at 952-927-9539 or Larry at 952-949-9668 for any questions regarding the party. Be there or be square!

Lyndale Park Garden News for December 2013

Kay Wolfe

MWGCM Lyndale Park Garden Chair

The MWGCM's public garden in Lyndale Park in Minneapolis is almost "wrapped up" for winter. All that is left of fall chores is the literal wrapping in burlap of the newly planted conifers. The committee is planning one more work day for early December. Who said we have six months of gardening? This almost pushes it to nine!

The garden was covered with leaves on Saturday, Nov. 2. Thanks to the 10 club and auxiliary members who worked that day – Carol Schreier, Judy Berglund, Kent Petterson, MT Pulley, Nona Johnson, Robert Kean, Rog Sefelt, Sharla & Norm Aaseng, and Tim Rosener. They were assisted by one of the park gardeners and the Toro 'Dingo.' The leaves are not needed for winter protection since we grow hardy plants, but are useful as a mulch – to keep in moisture and keep down the spring weeds.

The next activities of the committee will be picking out annuals and perennials from the January catalogs, and determining varieties of conifers and shrubs to purchase for an early May planting. If you have an interesting plant variety that you would like to see grown in the gardens, let me or any of the above committee members know.
